

## Curriculum:

The Bala Vihar curriculum is designed for grade levels Pre-K through Grade 9. The children are taught by a team of specially trained, experienced, and dedicated teachers.

In younger grades Bhakti or love for God is developed by the teachers through storytelling from our scriptures, singing bhajans, learning shlokas and their meanings, playing games, arts and crafts, skits, and other fun-filled activities.

In older grades, the children are provided an opportunity to understand the logic of our religion, discuss, debate, and develop a firm faith in the Self. They are taught and encouraged to take responsibility for their own actions and to become responsible citizens of the world.

The curriculum covers a wide range of topics such as:

- Gods and Goddesses
- Bala Vihar Alphabets
- Ramayana
- Bhagavatam
- Sri Ramacharitamanasa
- Mahabharata
- Bhagavad Gita
- Hinduism
